

2 WARRANTY*
YEAR

Storage temperature:
from -30 till +60 C
Operating temperature:
from -30 till +50 C

SPECIFICATION

MB-FL-KOx-50W

SPECIFICATIONS

Power	50W
Voltage	AC200-240V
Housing colour	white / black
Power factor	>0.98
Luminous flux	4250 lm
Luminous flux angle	110°
Colour temperature	6500K
Luminous efficiency	85 lm/W
Colour rendering index (CRI)	80
Ingress protection rating	IP65**
Size	120*120*69mm
Weight	680g

**do not use in direct sunlight

*If equipment is operating max 12 hours per day.
In case of a day and night operation the warranty period is decreased by 2 times
